PROFILE

Award-winning animator and media producer with 13+ years of independent video, animation and visual-effects work, paired with 16 years of high-volume food-service production. B.A. in Journalism and Media Communications; completing a master's in Communications and Media Management at Colorado State University. Known for ethical storytelling, attention to detail and reliable delivery under pressure.

EXPERIENCE

Video Producer & Content Creator (YouTube Partner)

Self-employed · Mar 2013 – Present

- Write, storyboard, shoot, edit and publish videos in live-action, 2D hand-drawn and 3D animation.
- Own the full pipeline: cinematography, sound design, VFX, publishing and distribution.
- Use SEO and social media strategy to grow reach on YouTube, Facebook and Twitter.

Production Cook (Dining Services III)

Colorado State University · 2022 – Present

- Prepare and serve varied recipes in university dining centers to high quality and hospitality standards.
- Manage inventory, train employees and collect HACCP food-safety data.
- Produced "Quarantine Cooking at Colorado State University," a recipe video playlist.

Dining Services II

Colorado State University · Jan 2010 – May 2022

- Served an average of 800–2,300 guests per 3–4 hour meal period in the Ram's Horn, CSU's largest dining hall.
- Supported inventory, food-safety compliance and training in a fast-paced kitchen.

Security Staff

Landmark Event Staffing Services · 2008 – 2014

- Staffed event security for large crowds while providing customer service.

Digital Archivist

Front Range Community College · 2006 – 2008

- Scanned, restored and archived photographs on network storage.
